

Dear customers,
Your safety is our priority. To reduce the Covid-19 pandemic, please let us see your covid certificate.

EU DIGITAL COVID CERTIFICATE IS MANDATORY INSIDE AND OUTSIDE THE ESTABLISHMENT

EU digital COVID certificate can be
digital - on the app TousAntiCovid or paper format

This certificate is a digital proof that a person:
has been vaccinated, or, has received **a negative test result**
or has **recovered from COVID-19**.

The EU digital COVID certificate contains necessary key information such as a name, date of birth, date of issuance, relevant information about vaccine/test/recovery, and a unique identifier. This data remains on the certificate and is not stored or retained when a certificate is verified in another Member State.
